

Friends of Madginford Primary School

Dear Parents, Carers, and Friends of Madginford Primary School,

We are excited to invite you to become part of the Friends of Madginford Primary School, a new fundraising group dedicated to supporting our school community and helping provide extra opportunities and resources for our children.

Our aim is to bring together parents, carers, staff, and local supporters to organise fundraising events, social activities, and community projects that will benefit the school and enrich the children's learning experience.

One of the first projects we hope to support is the school's Reading Bus initiative, helping to encourage a love of reading and provide an engaging space and resources for children to enjoy books and literacy activities.

At Madginford Primary School, we are committed to achieving excellence in both academic and personal development. Our school values of Respect, Resilience, Independence, Equality, Curiosity, Teamwork, and Challenge are at the heart of everything we do and help our children grow into confident, compassionate, and successful learners. Through the Friends group, we hope to strengthen these values further by working together to create enriching opportunities and experiences for every child.

Funds raised could help support:

- Educational resources and equipment
- School trips and activities
- Playground improvements
- Special events and enrichment opportunities
- The development of the Reading Bus project

We would love for as many people as possible to get involved, whether by joining the committee, helping at events, sharing ideas, or simply supporting activities throughout the year.

If you are interested in joining or would like more information, please contact Mrs. Woolcombe, Mr. Day or Miss Verkely via the office email address; office@mps.kent.sch.uk

Together, we can make a real difference for the children at Madginford Primary School and help support exciting projects such as the Reading Bus.

We look forward to working with you.

Yours sincerely,

Mrs Amanda Woolcombe

Headteacher
